

Celebrating **15** years of continuing the legacy! (1995-2010)

A Call for Honorees

2010 Fly-Sister-Fly Empowerment Breakfast

The Bessie Coleman Foundation, (BCF) Inc. understands that writing history is what humans do with power. On June 15, 1921, the smart, beautiful, fly, Bessie Coleman - "Queen Bess", overcame the double difficulties of racial and gender discrimination in early 20th-century America and became the **first American** to earn an international pilot's license. She thrilled onlookers the Tri-State Fair in Memphis, TN on October 12, 1922. BCF has embraced the Fly-Sister-Fly Empowerment & Recognition Breakfast to ensure that women of color are empowered and that their aeronautical success stories are shared, documented, archived and honored.

On Wednesday August 4, 2010, BCF will celebrate fifteen years of continuing Queen Bess' legacy. We will honor a group of women as "Sisters of Distinction" who have made significant and outstanding contributions to aviation, aerospace and/or the continuance of Bessie Coleman's legacy during the Fifth Annual Fly-Sister-Fly Empowerment & Recognition Breakfast, at the Memphis Marriott Downtown in Memphis, TN.

If you would like to nominate a "Sister of Distinction", please complete the following nomination form and forward with the nominees' bio and digital picture to Michelle Scott at mrs816@yahoo.com.
